About All Terrain Landscaping

Our mission is to help you look great.

All Terrain Landscaping began with a simple sprinkler job for a family friend. After earning multiple degrees, we launched the company, focusing on hand-dug ponds and sprinklers. Our first company vehicle was an '84 Mustang. The business grew quickly, and soon we were full-time landscapers. With a strong work ethic and a dedicated team, we became the largest lawn service and snow removal company in Greeley, eventually expanding into Fort Collins, Boulder, and beyond.

Project Details

Wall

Installation of Retaining Wall to include:

- Installation of 1 ton of road base for base materials
- Installation of 1 ton of sand for base materials
- Installation of 8 Versalok block retaining wall blocks and 12 block caps for a 12 LF by 6-inch-tall retaining wall

Planting Bed

- Installation of 1 ton of 1-1/2" local river rock (provided by homeowner)
- Installation of 48 square feet of landscape fabric
- Installation of 2 yards of topsoil for filling of pond
- Installation of existing boulders
- Installation of 1 downspout ran above ground
- Installation of 1 French Drain behind wall

All irrigation work to be completed on a time and material basis of \$95.00 per man hour plus materials.
