# About All Terrain Landscaping

**Our mission is to help you look great.**

All Terrain Landscaping began with a simple sprinkler job for a family friend. After earning multiple degrees, we launched the company, focusing on hand-dug ponds and sprinklers. Our first company vehicle was an '84 Mustang. The business grew quickly, and soon we were full-time landscapers. With a strong work ethic and a dedicated team, we became the largest lawn service and snow removal company in Greeley, eventually expanding into Fort Collins, Boulder, and beyond.

**View Our Work**

### Backyard

- Demo, haul off, and disposal of 40 square feet of existing landscape
- Installation of .5 yards of mulch to match existing
- Installation of 40 square feet of landscape fabric
- Installation of 15 linear feet of existing block curbing
- Installation of drip line irrigation to existing planting beds
- Installation of 3 5-gal shrubs
- Installation of 2 1-gal perennials

- Any additional block curbing to be installed on a time and material basis

The site plan illustrates a comprehensive backyard design. Key features include a large central patio area, a circular hot tub, a rectangular fire pit, and a curved bar/pavilion structure. The plan is annotated with numerous details and notes, such as 'PA' for planting areas, 'L.S.' for landscape steps, and specific material recommendations like 'Belgard pavers, LA Fitt Rustic Slab, Color TBD'. It also shows the location of existing structures like the house and garage, and indicates the proposed placement of new elements like a fire torch/pool scupper and a concrete apron.
