About All Terrain Landscaping

Our mission is to help you look great.

All Terrain Landscaping began with a simple sprinkler job for a family friend. After earning multiple degrees, we launched the company, focusing on hand-dug ponds and sprinklers. Our first company vehicle was an '84 Mustang. The business grew quickly, and soon we were full-time landscapers. With a strong work ethic and a dedicated team, we became the largest lawn service and snow removal company in Greeley, eventually expanding into Fort Collins, Boulder, and beyond.
